Allowable Subject Matter

1. Claims 1-5 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: a fuel mileage meter for a vehicle comprises a displayed fuel consumption rate that is based on a distance traveled and an amount of fuel consumed only after a speed of the vehicle exceeds a predetermined threshold. Similarly to the present application, Baatz and the prior art reviewed, discloses calculating a distance and an amount of fuel consumed. In contrast, Baatz, and the prior art reviewed, does not specify that a distance and an amount of fuel rate consumed is displayed only after the vehicle speed exceeds a predetermined threshold.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
